

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,

Plaintiffs,

vs.

DAVID MURCIA-RETANA,

Defendant.

4:23CR3007

ORDER

Defendant has moved to continue the pretrial motion deadline, (Filing No. 19), because Defendant and defense counsel need additional time to fully review the discovery. The motion to continue is unopposed. Based on the showing set forth in the motion, the court finds the motion should be granted. Accordingly,

IT IS ORDERED:

- 1) Defendant's motion to continue, (Filing No. 19), is granted.
- 2) Pretrial motions and briefs shall be filed on or before May 12, 2023.
- 3) The conference call previously scheduled to be held on April 19, 2023, is continued. A telephonic conference with counsel will be held before the undersigned magistrate judge at 1:00 p.m. on May 19, 2023 to discuss setting any pretrial motion hearing needed, a change of plea hearing, or the date of the jury trial and deadlines for disclosing experts as required under Rule 16. Counsel for all parties shall use the conferencing instructions provided by the court to participate in the call.
- 4) The ends of justice served by granting the motion to continue outweigh the interests of the public and the defendant in a speedy trial, and the additional time arising as a result of the granting of the motion, the time between today's date and May 19, 2023 shall be deemed excludable time in any computation of time under the requirements of the Speedy Trial Act, because although counsel

have been duly diligent, additional time is needed to adequately prepare this case for trial and failing to grant additional time might result in a miscarriage of justice. 18 U.S.C. § 3161(h)(1) & (h)(7). Failing to timely object to this order as provided under this court's local rules will be deemed a waiver of any right to later claim the time should not have been excluded under the Speedy Trial Act.

Dated this 12th day of April, 2023.
